

UPI PROTECTION BOARD-H

1. DESCRIPTION

UPI Protection Board-H is a heavy-duty asphalt impregnated organic mat with a fine mineral applied to the surface to prevent sticking in the roll. UPI Protection Board-H is very tough and provides positive protection to the waterproofing membrane during installation of other work.

2. TYPICAL USE

UPI Protection Board-H is used as a protection course on horizontal surfaces to protect the waterproofing membrane from damage by foot traffic and physical abuse from other trades.

Typical uses include plaza decks, roof terrace decks, parking decks and any other horizontal surface to which waterproofing membrane has been applied.

3. PACKAGING

Protection Board-H is 36" wide. It is supplied in rolls of 36 feet in length (108 sq.ft per roll). The weight of each roll is approximately 70 lbs.

5. LIMITED WARRANTY

Urethane Polymers International, Inc. (UPI) warrants this product to be free of defects in workmanship and materials only at the time of shipment from our factory. If any UPI materials prove to contain manufacturing defects that substantially effect their performance, UPI will, at its option, replace the materials or refund its purchase price.

This limited warranty is the only warranty extended by UPI with respect to its materials. There are no other warranties, including the implied warranties of merchantability and fitness for a particular purpose. UPI specifically disclaims liability for any incidental, consequential, or other damages, including but not limited to, loss of profits or damages to a structure or its contents, arising under any theory of law whatsoever.

The dollar value of UPI's liability and buyer's remedy under this limited warranty shall not exceed the purchase price of the UPI material in question.
